The parties are directed to respond to the Court's settlement proposals by April 22, 2019.

If the case doesn't settle, the matter is referred for court-annexed arbitration, with the hearing to be held in the latter part of September 2019.

Pleadings may be amended and new parties added until June 7, 2019. The Court defers setting a deadline for requests for a pre-motion conference.
